Celebrate Life is Infirmiry Foundation's healthcare fundraiser to benefit women's health initiatives at Mobile Infirmiry. The event brings together women of all ages who are interested having the best healthcare services available in Mobile. This year's event will support the Birth Center at Mobile Infirmiry where over 1000 babies are delivered each year and is home to Infirmiry Health's Level II Special Care Nursery.

Celebrate Life offers an opportunity to connect with an affluent and engaged audience around a cause they care about. Sponsorship opportunities are available for companies of all sizes.

The event will host a discussion with local interior designer Katie Kirby over lunch with a couple hundred of your best friends. The event will be held at Crown Hall in Downtown Mobile

Katie Kirby is the principal designer and owner of Katie Kirby Interiors, a full-service interior design firm located in Mobile, Alabama. Katie's modern yet fun style balances her love for art, color, texture and function. The interactive program will allow attendees to meet Katie and ask questions about her inspiration for design and how to create a home you love.
