Welcome to

STREET Soirée

For more than three decades, Grand Summer Ball brought our community together in support of Thomas Hospital. In 2026, Thomas Hospital Foundation begins a new chapter with *Street Soirée* - a larger, more accessible, and community-centered celebration designed to welcome more people into the mission of Thomas Hospital.

Guests will enjoy local food, live music, signature cocktails, hospital storytelling, caregiver recognition, and an outdoor street celebration in the heart of downtown Fairhope.

Local Food | Live Music | Cocktails
Community Storytelling | Hospital Impact

Great healthcare close to home is built by a community that believes in it.

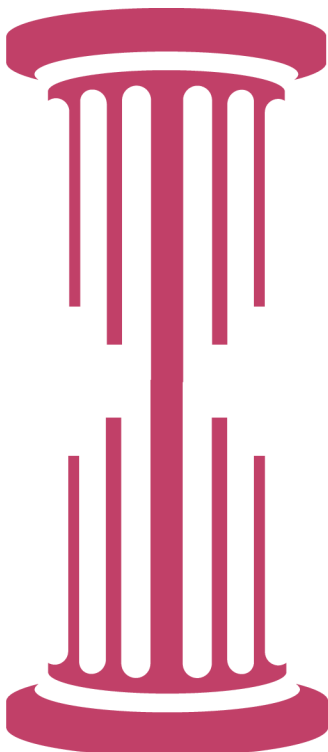

Thomas Hospital is more than a hospital. It is where our families are cared for, where our neighbors work, where new lives begin, where emergencies are met, and where our community turns during some of life's most important moments.

Through Street Soirée, every ticket purchased helps Thomas Hospital Foundation continue supporting the people, programs, technology, and spaces that strengthen care across the Eastern Shore.
