MOBILE INFIRMERY CANCER CONFERENCE

Objectives: *This on-going weekly series (with case reviews) allows physicians an opportunity to assess and discuss latest treatment modalities used in managing their oncology patients. At the completion of the activity, the participant should be able to identify symptoms, discuss latest treatment modalities used in managing oncology patients, identify symptoms and describe diagnostic studies related to each case presented, with the goal of enhancing cancer treatments for improved quality care of cancer patients.*

Thursdays / Weekly

7:00 a.m. until 8:00 a.m.

Mobile Infirmery, ground floor auditorium

Thomas Hospital, Wellness Center conference room

Zoom offered to remote participants; for access, contact Stefanie Willis-Turner at 251-435-7410.
