

# Improve medical knowledge at the point of care

UpToDate Supports Maintenance of Certification (MOC) Efforts

UpToDate® supports physicians in their efforts to provide high-quality patient care by providing CME for MOC at no additional cost to:

Registered users at UpToDate Anywhere sites

Individual UpToDate subscribers

## ABMS MOC:

UpToDate has met the requirements as a **MOC Part II CME Activity**, applying exclusively to the general MOC-CME requirement for the following ABMS Member Boards:

American Board of Allergy and Immunology

American Board of Colon and Rectal Surgery

American Board of Preventive Medicine

American Board of Thoracic Surgery

American Board of Anesthesiology

American Board of Family Medicine

American Board of Psychiatry and Neurology

## ABIM MOC:

In the support of professional development, ABIM-certified physicians may now use CME credit earned through UpToDate to fulfill ABIM Maintenance of Certification (MOC) point requirements.

“UpToDate gives me the confidence to take on challenging cases and provides a solid platform for life-long learning. Whether researching a topic less familiar to me, or a topic about which I am reasonably knowledgeable, when using UpToDate I nearly always learn something relevant and useful to patient care. I truly cannot imagine practicing without it.”
